A. Review school event: Middle school students were welcome to help!

1. Game Night was a success! Parents and students enjoyed a night of Jeopardy, board games, and prizes.
2. Families enjoyed having food trucks. Students played games and parents mingled with one another.

3. Next year game night will continue with similar games, board games, incorporate prizes, and food trucks.

a. Some additions may include oversized games, using Kahoot or virtual games so results will show almost immediately, musical chairs and other active games will be welcome. If we could get college athletes to help out with chess, checkers or other higher-order thinking games would be fun and a change for athletes and students.

Adjourn 5:54p.m.
