

Meet the 5th Grade Teachers

Ms. John

sherile.john@tusdl.org

I'm so excited to be your child's teacher this year! I have been in education for 9 years and have been teaching at our wonderful Carrillo school for 5 years. I love teaching 5th grade. I am a native

New Mexican that moved to this beautiful state of Arizona. I am a graduate of the University of Arizona, Go Wildcats! I have also proudly completed my masters at Grand Canyon University. I love listening to a wide range of music, watching k-dramas, traveling, and visiting museums and galleries. I am so excited about all the learning and fun we are going to have this year. I work hard at keeping a classroom of respect, compassion, cooperation, and encouragement. I look forward to getting to know you at open house and throughout the school year.

Mrs. Acosta

My name is Rebekah Acosta and I can't wait to start my first year teaching at Carrillo! I have been teaching for ten years with experience in grades 5th-7th. I have my bachelor's degree in elementary education from the University of Arizona and my master's degree in educational leadership from Northern Arizona University. Just like Ms. John, I too enjoy a wide range of music. I also enjoy spending time with my family, including my adorable dog. I cannot wait to learn more about your student and be their guide through 5th grade!
