

Dear Parents of Remote Students,

As we are getting ready for our state testing and getting ready to ensure the safe entry of remote students coming in the building to take this important exam, please note the following.

- \*All remote students will be taking the exams in separate rooms from in person students.
- \*All remote students who stay here during lunch will be eating at separate times/place from other students.

**The following things will be needed from students as they come in the building:**

- \*Mask to be always worn in the building except when eating in cafeteria.
- \*Water bottle that can be refill from our own water station.
- \*Pencils
- \*Computer and computer charger
- \*Student drop-off and pick-up will be at 17<sup>th</sup> Street.
- \*If your child will be eating breakfast in our cafeteria, he/she must be here before 8:15 am
- \*We recommend your child gets a good night sleep and a nutritious breakfast the day of the exam.
- \*Give your child the assurance they need before the test. They can do it and just need to do their best. Remind them to check their answers before they submit the test.
- \*Writing Test: Students will be required to read a passage and submit evidence in their responses that will support their reasoning. Estimated time of completion is three to four hours, but students can take all day if needed.
- \*Please make sure your child has a book to read after he/she finishes his/her test.
- \*We will call you if student finishes before dismissal time. You have the option of letting them stay until the end of the day or to pick them up as they finish their test.

Thank you for bringing in your child to take the state exams.
