Communication and Creative Arts Magnet School  
440 S. Main Ave, Tucson, AZ 85701

Dear Parents and Students,

Welcome Back! I hope this letter finds you and your family safe and ready to start the new academic year with excitement and passion to learn new things.

As the new interim principal, I aspire to collaborate with parents, teachers and school community members to foster a safe and nurturing environment for all students. Throughout my professional career I've always held the belief that it is our responsibility to make sure quality education is available to every child so he/she can become a positive role model and member of our society. I've also held the belief that it is through a partnership between students, teachers, parents and administration that success can be achieved. Together we will make a difference in our community of learners. I am excited to work at Carrillo K-5 Communication and Creative Arts Magnet School and together continue to build and enhance the love for learning in all our students.

The staff and administration of this school are committed to ensuring that every student is given the opportunity to thrive and succeed. We have just been through some challenging times, but together we will once again meet academic standards and goals that will prepare our students for the future. We will achieve all this in a safe, kind and nurturing environment.

Sincerely,

Mrs. Connie Zepeda  
Interim Principal
