Message from Ms. Bittel

Fall Festival was a roaring success! Thank you to everyone who attended. It was wonderful to see so many families enjoying themselves and coming together as a community, and the costumes! Our cougars looked amazing! Thank you all for your spirit!

I want to also congratulate all the students who took the risk to run for Student council Office. Putting yourself out there takes bravery and you all represented yourselves well. Congratulations as well to those who were elected. You will represent your peers well!

-Ms. Bittel

Focus on Magnet - Communication

Carrillo is a 4 C school

1. *Collaboration*
2. *Communication*
3. *Critical Thinkers*
4. *Creativity*

Communication is one of the most important life skills. Communication encompasses verbal and non-verbal forms of communication. Good communicators avoid misunderstandings, develop strong peer relationships and are good team members.

Communication at Home

You can help your cougar develop good communication skills at home.

- Ask them open ended questions about the day
- When they are done, tell them to "say more."
- Have them practice paraphrasing
- Read with your cougar

General Updates

TUSD has implanted the COVID-19 Daily Dashboard. (<http://www.tusd1.org/COVID-19/COVID-Dashboard>) This will be the new way general cases are shared with the community. Be assured that if we have a positive case on campus and your student is a close contact, we will still reach out personally to share information and plan to support your student's education while they are away.
