#### Message from Ms. Bittel

Thank you for an amazing first quarter. Carrillo is a truly wonderful school thanks to the truly wonderful families! This quarter, students made amazing academic and social-emotional gains. Once we come back from break, we'll be sharing benchmark results as well as tips for students who are struggling. On the magnet side of things, we are so pleased at the turn out to our first event of the year, Literacy Night! Thank you to Ms. Stroup for all her hard work bringing that event to life! We look forward to seeing families at the next event, Fall Festival on October 29<sup>th</sup>!

-Ms. Bittel

Morales: *Anthony M. Isabella H.*

Ramirez: *Kenra H. Cole M.*

Tautimer: *Mila P. Fabian P.*

Barraza: *Brooke B. Joseph D. Anabella C. John-Robert G.*

Matsushino: *Annette E. Donato T.*

Lujan: *Yannick F. Adrian C. Guille G. Evylyn Z.*

Maldonado: *Lexiana R. Michael R.*

Peralta: *Taj M. Selena C. Fernando C.*

Fermawi: *Milena M. Brianna F.*

Segura: *Belina A. Cameron G., Isabella E.*

John: *Robert P. Kameryn D.*

#### Focus on Magnet

Carrillo is a 4 C school

1. *Collaboration*
2. *Communication*
3. *Critical Thinkers*
4. *Creativity*

In the coming months we will send home different ways that our Carrillo students are showing those 4 Cs.

This month is collaboration, so if you have any pictures of your students being collaborative please send them to me [rebeca.stroup@tusd.org](mailto:rebeca.stroup@tusd.org)

#### Tips for Student Success!

There are lots of great ways to keep your student's brain engaged over the break. Taking time to read a little each day with your student can help your learn to love reading and develop vocabulary. Check out more tips at <https://www.readingrockets.org/article/reading-your-child>

#### General Updates

TUSD has implanted the COVID-19 Daily Dashboard. (<http://www.tusd1.org/COVID-19/COVID-Dashboard>) This will be the new way general cases are shared with the community. Be assured that if we have a positive case on campus and your student is a close contact, we will still reach out personally to share information and plan to support your student's education while they are away.
